2005 MAR 28 P 3:30

DEAR PANEL:

SUBJECT: TAX CODE SUGGESTIONS

TAXING SOCIAL SECURITY BENEFITS (50/80%) IS TOTALLY UNFAIR TO MIDDLE-CLASS TAX PAYERS WHO WORKED ALL THEIR LIVES VICE UNEMPLOYMENT/WELFARE RECIPIENTS AND INDIVIDUALS WHOSE DIVIDENDS AND CAPITAL GAINS ARE NOW REDUCED TO 15% OR LESS. WE EARNED AND PAID FOR IT WHILE SERVING IN THE MILITARY, WORKING IN INDUSTRY, OWNING A BUSINESS, ETC., TO HELP KEEP THIS COUNTRY FREE AND PROSPEROUS. IN SHORT, WHY WORK? TAXED TWICE AND NOW PAYING FOR MY OWN SS BENEFITS. CURRENTLY, THOSE WHO PAY ALIMONY CAN DEDUCT SAME FROM FEDERAL INCOME TAX BUT THOSE WHO PAY CHILD SUPPORT CANNOT. THE RECIPIENT OF CHILD SUPPORT ALSO SUBSTANTIALLY RECEIVES ADDITIONAL FUNDS DUE TO EIC. LUDICRQUS.

ALL THE BEST,

Caesar J. Civitella
